Data	Responses
Trauma can be problematic when unprepared	1
I learned that DV is a gender-based crime. I've learned that the faith-based community is essential in victim survival and response. I would like to be active in creating awareness for the faith-based community.	1
I learned that 37% of African American women are DV victims than whites. 25% more than any other ethnicities. 75% are shot after leaving their abuser.	1
I learned a lot from the presentation and plan to use it regarding my job.	1
I learned to be a better listener and not judge.	1
I learned that more churches need this and I need to speak up and share this information is available	1
I plan to share information with pastors in the community in lieu of helping victims in our community	1
How churches can impact our culture in slightly negative ways.	1
