Objectives

To utilize my unique skillset as a Speaker, Facilitator, Consultant, Lived Experience Expert and Offender Engagement Specialist to create victim and community safety in the domestic violence arena.

Experience

12/2019-Present Prevention and Education Specialist, Camp Pendleton Family Advocacy

Conduct briefs on domestic violence to all ranking Marines, facilitate anger management for incarcerated Marines and active-duty Marines, facilitate stress management classes, facilitate orientation for Marines starting domestic violence treatment, facilitate Domestic Violence Program Orientation for commanding officers.

2/2014-Present Public Speaker/Consultant, Inspire Perspective

Keynote Conference Speaker/Trainer who provides lived experience in the domestic violence arena. Shares personal journey through domestic violence from being a victim as a child to becoming abusive an adult and the process of actual change. I provide the audience with a rare first-person perspective of a former offender and best practices on how to facilitate change. This solicits audience engagement and discussion.

Notable Keynote events include California Partnership to End Domestic Violence, FT. Hood Army Base, Stop Domestic Violence Conference in Brisbane, Australia, San Diego Domestic Violence Council, Montgomery Air Force Base, National Council of Juvenile and Family Court Judges

Provide consultation services to various organizations on best practices for offender engagement and change.

1/2022-Present Domestic Violence Diversionary Program Director, AMDVC8

Create and facilitate 8-week Anger Management/DV diversion course for clients in Partnership with San Diego City/County District Attorney's Office. Clients complete 8-week course in exchange for charges dismissed by court.

10/2005-7/2010 Investigative Social Worker, Los Angeles Child Welfare

Investigate and evaluate child abuse and neglect referrals, coordinate and supervise the placement of children in foster care, perform emergency response, family maintenance and reunification services, complete court reports, evaluate and maintain case records on the progress of assigned cases, perform various case management functions, attend trainings and monthly unit meetings.

Education

California State University Bakersfield
6/2003 ▪ Bachelors, Sociology
